

The Life Pantry

DONATIONS LIST

In our service to those in need, please be mindful of providing healthy items for others. This improves the body's nourishment as well as for the mind and spirit. Items should be in either general, larger sizes (for families) or single items (for individuals). Please remember to buy healthy, tasteful items... if you wouldn't like to eat/drink it, why would someone else?

This list follows Food Bank Guidelines from across the country. *Thank you for blessing someone today.*
