Agape MCC 2021 Report  
Annual Congregational Meeting 2021

*“Christianity did not begin with a confession. It began with an invitation into friendship, into creating a new community, into forming relationships based on love and service.”*

— Diana Butler Bass, Christianity After Religion: The End of Church and the Birth of a New Spiritual Awakening

In the thirteen years that I have been the Pastor and Spiritual Leader of Agape MCC, I’ve written thirteen reports for thirteen Congregational Meetings. Ten of those reports were the “Pastor’s Report.” Three years ago, the Board of Directors decided that we might have a better shot at community engagement, i.e., folks who read the reports, if we consolidated most of the information into one report. People seem to like one stop shopping. My formula has been, keep it brief, informative, and as inspiring as possible, it’s a tall order.

This year, I’m going to forego some of the detailed “stuff”, (there will be some details at the end of this report for you detail types) here is what is in my heart.

2021 has been an enduring invitation to begin again, and to imagine that the “haze” that seems to have settled over everyone is better described as a thin place where our physical world and the spiritual world are overlapping in ways we’ve not recognized before. Agape limped into the new year still socially distanced, still living in virtual space, bolstered by the consistent presence of our friends and family and the promise of a vaccine that would bridge the gap and bring us physically back together. While we’ve understood that Church as we’ve known it is gone forever, our relationships prevail and that has kept us grounded...well mostly grounded...okay sometimes grounded!

On too many days it feels as if there is a never-ending tide of injustice, tyranny from so-called leaders, epic divisions between peoples, unchecked climate disaster, outbreaks of violence, a pandemic of mental health concerns, and a world of grief and loss. We no longer have the luxury of thinking about only our family, community, city, state, or country because the whole world is on fire. This is a spiritual problem, and it will require a spiritual solution. Let me be clear this is not just a Christian spiritual problem, this is a capital S, all Spiritual orientations on board, problem. It’s going to take all of us.

Agape MCC resumed in-person services on Easter Sunday this year our 49<sup>th</sup> Anniversary. Since March of 2020 we have answered yes to Spirit’s unrelenting and often unexpected invitations to begin again. That’s not new, that’s our birth story. We will be 50 years old in 2022 and we understand that circumstances and cultures may shift and morph, but there is one invitation that stays the same, “will you be love in the world for everyone?” While that invitation is eternal, the ways we answer follow the thread of Spirit: yes, we will learn what it means to be a hybrid community; yes, we will partner with others to heal injustice; yes, we will partner with others to celebrate diversity; yes, we will feed the hungry; yes, we will share what we have; yes, we will accept help; yes, we will offer help; yes, we will ask others if they are okay; yes, we will be courageous; yes, we will be vulnerable; yes, we will be a safe place for everyone...there is an inexhaustible number of ways to say yes and be love. Each day gives us a chance to discover what our yes will be.

Now get ready detail people, here are more practical things we’ve said yes to:

## ***Technology***

We replaced the Board computer when the old one suffered an unrecoverable hard drive head crash.

We replaced the Video Streaming computer when the old one had an unrepairable motherboard failure.

We replaced the media video switch with an HDMI video switch after the older VGA video switch failed.

We replaced the DVD player with one that had HDMI output to be compatible with the new video switch.

We installed several updates to MediaShout which is used for displaying the song lyrics and readings during services.

We installed a major upgrade to vMix which is used to record and live stream services.

A very generous donor said yes and covered these expenses.

## ***Building & Property***

**January, 2021** - Thermostats in the chapel and social hall were kept at a lower setting to reduce the time the gas heaters ran to assist with keeping the gas bill lower.

**February, 2021** - The gas bill was running higher than normal in December, 2020 and in January, 2021. The thermostats were checked and programming bypassed to ensure they remained at a designated temperature. Rev. David contacted a plumber to test the gas lines for leaks, none were detected.

Water damage to the BOD Office resulted from frozen/broken water pipe during the Winter Storm and power outage. Damage was limited to the BOD office. A Plumber donated their services to repair the pipe. Sheetrock and insulation were donated and installed after Cassy and Ward obtained estimates for the work. Carpet was donated to replace the BOD office floor. The church had left over wall paint in storage from a previous renovation and was used to repaint the BOD office after wall repairs were completed.

**April, 2021** – A yard and Labyrinth plan was submitted from the Druid Group that was meeting on the property and the plans included moving the fire pit to the backside of the labyrinth, planting trees to provide shade, and rehabbing the labyrinth path.

**May, 2021** – The BOD scheduled several workdays to clean out the Board Room and Volunteer Office. This provided much needed designated storage space for worship supplies, music and the Pride Shop.

**June, 2021** – Rev. David cut down the dead foliage and kept up the trimming of our property during COVID and the aftermath of “Snovid”. David also made a list of dead shrubs and brush that needed to be removed from the property and we obtained a quote from our lawn care company to have that completed. The BOD approved paid lawncare for these major lawn needs.

**July, 2021** - The BOD approved the Tarrant County’s Precinct 1293 use of the facility for the Nov 2, 2021 election.

Lawn care included weeding, removing dead bushes/shrubs and mowing. Plus cleaning out A/C cages and spraying to prevent weeds from growing back.

There had been several instances of illegal dumping on the church property during the month. The person was seen on property by Board members during a late afternoon meeting before they could dump another load of trash. The Board members made sure the driver knew they had been seen; they have not returned.

Cement parking blocks were offered by a Church member's work company to replace the cement parking blocks that had been stolen from the parking lot spaces. Additional parking blocks have been placed around the back lot to prevent people from driving onto the property to drive circles in the back lot.

**August, 2021** – Discussion about running new network cable for security cameras in August however we decided to wait for cooler weather to access the attic in the sanctuary and determined that running cable in the Social Hall could be done anytime.

**September, 2021** - Social Hall AC units went out the end of August. The repairs were approved and completed for the two units. Saint Anne's moved from the Sanctuary to the Social Hall and now are using one of the classrooms for their services on Sunday mornings.

Thank you, Rachel, and E.J. for the details!

"Agape MCC did not begin with a confession. It began with an invitation into friendship, into creating a new community, into forming relationships based on love and service." If I may take liberties with Diana Butler Bass' quote. Agape will not begin again with a confession. As we turn 50 years old, we will begin again with an invitation into friendship, into creating a new community, into forming relationships based on love and service. A lot of things have changed in 50 years, and they will keep changing, but our yes to, "will you be love in the world for everyone?" never will.

As always, I am deeply grateful to be part of this community that revives my hope and inspires me daily.

Namaste Agape MCC  
Rev. S. David Wynn
